

Channel letter bending machine quotation

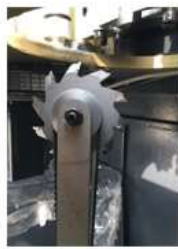

Model	Description	Price
DH-5150	Professional in manufacture aluminum	USD 4200/Set

Note: Extraly, we will give free one Aluminum Blade and one Bender.

Technical Data

Applicable materials	Flat aluminum, With strip aluminum, With foam aluminum
Control method	PC Control
Function	Automatic feeding, notching and bending
Material thickness	0.3-1.2mm
Material width	≤ 150mm
Bending radius	≥ 12mm
Power	≤ 1500W
Motor	4Pcs Stepper motor
Voltage	220V, 60HZ, 1P (or customized)
Colour	Gray+Green (or customized)
Size	1350*700*1300mm
Weight	300Kgs
Service	Engineers available to service machinery overseas

Main parts

Feeding & Notching Parts

Aluminum Blade

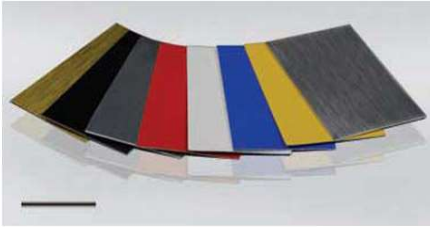

Bending Part

Control Box

Tool Box

Applicable materials and samples

Flat aluminum

Folded aluminum
& Foam aluminum
